If you receive a call from anyone other than your Local Fund Office asking for information about your Health Insurance or confirming personal information such as but not limited to your Social Security number, address or Date of Birth—PLEASE HANG UP!!! You have been issued an alternate Participant ID number which can be found on the front of your ID card and begins with “TSJ”. You should only respond to calls from your Local Fund Office and your Local Fund Office will always use your TSJ Participant ID number only.
