Dear Fellow Brothers and Sisters,

New England Teamsters Federal Credit Union has proudly provided financial services to Teamsters throughout New England since 1973. Our primary mission is to give to you and your families another benefit of being a Teamster by giving you the best rates and lowest fees around.

You may not be aware, but, even if you are not a member of the Credit Union, members of your immediate family can join to the Credit Union. Go visit our website, NETFCU.Org to see who is eligible to take advantage of our membership values.

We offer some of the best loan and deposit rates in the nation, along with a free checking account.

NETFCU currently consists of two full service branches covering the Greater Boston and Greater Worcester area and we just opened a new full-service branch at Local 25 in Charlestown, Massachusetts. In addition, we have 10 Locals throughout the six New England states offering limited services to our membership. This spring we are adding a member service center that will answer your phone and Internet inquires and questions. This service center will be located at the Teamster Pension Trust Building at One Wall Street, Burlington, Massachusetts.

We have just added another major benefit to you for doing your banking with us. It's called **Shared Branching**, where you can walk into over **5,500** credit union branches around the country for your banking needs, as if you were walking into one of our offices. There is no charge to use this service.

With your free checking account, you can make deposits by simply taking a picture of the deposit via your cell phone and our mobile banking app. This is known as remote deposit capture.

You can find a shared branch, the mobile banking app., and our loan and deposit rates simply by visiting our web site at NETFCU.org. You can also join or apply for a loan simply by going to the website.

We are in the process of upgrading our website which will be operating by the end of April.

We are not just a bank; we devise products that meet the needs of our Teamster Brothers and Sisters. We have tuition assistance loans for those going to IBT training schools. These products, along with our standard banking products offer to you one of the best financial packages, you will see.

To take advantage of the many benefits we have for you, go to our website and find out the banking benefits of your Teamster membership via the New England Teamster Federal Credit Union. Our website is NETFCU.ORG or call us at **1-800-343-7126**.
