ANNUAL STEWARD SEMINAR

ON ZOOM!

Dear Brothers and Sisters:

Due to the ongoing pandemic, we are once again unable to conduct in-person steward training for our Connecticut Teamsters.

Our Annual Steward Seminar is an important event that enables us to provide important training for our front-line stewards and to collaborate as union representatives. We are better and stronger when we do this.

We are pleased to announce that we will be holding our Annual Steward Seminar this year via Zoom! The seminar is open to all Connecticut Teamsters Locals and will include several informative speakers and presentations that will help you in your daily work of representing your members.
